

# PORT CONTINUE VICTORIOUS; STURT, NORTH, AND WEST ALSO WIN

## TORRENS WASTE CHANCES

### Team Not Placed to Advantage

#### MAGPIES SECURE FIFTH WIN

(By O. J. O'Grady, "The Mail" Football Writer)

Although Port ran out winners by 40 points in today's game at Adelaide, Torrens strongly contested the issue throughout. The difference between the teams was this, that Port made good use of their opportunities, but the forwards of Torrens wasted chance after chance.

In addition to the faulty play of Torrens' forwards, I think the team was not placed to advantage. When it is left until an interval for a change to be effected in the placing of a team, it rather savors of routine captaincy.

In registering their fifth successive victory the magpies have consolidated their position. A continuance of their present form will make the coveted minor premiership and all its benefits seem a likely achievement for Port.

PORT	13-17
TORRENS	7-13

Goalkickers.—Port—Hender (4), Galliford (3), Betts and Waye (each 2), Logan, and Quinn. Torrens—Troughton and Quinn (each 3), Bertram.

Best Players.—Port—R. Johnson, Wade, Eden, Conole, Galliford, Hender, Ween, Keal. Torrens—Osborn, Hine, Bertram, Ward, Read, Broderick, Bridgman, Quinn.

## RAGGED FOOTBALL

### STURT WIN AT UNLEY

#### Too Many Scrimmages

As was expected, Sturt defeated South at Unley, but the double-blues did not win easily. South battled doggedly throughout the game, and although Sturt always seemed to have something in reserve, they did not dominate the situation.

The game was ragged, and as a spectacle, far from inspiring. Only occasionally did spectators see anything approaching good football. There were too many scrimmages. Margitich (South goalsneak) again performed well kicking seven goals.

STURT	15-8
SOUTH	11-12

Goalkickers.—Sturt—Sims and Riley (each 4), Thomas, Wundersitz, and Ash (each 2), and Green. South—Margitich (7), Paech (2), Kempster, and Dunne.

Best Players.—Sturt—Sims, Dunn, Riley, Wadham, Simpson, Ash, Johnston, and C. Whitehead. South—A. J. Ryan, Tully, Margitich, O'Connell, Jaffer, Masters, Paech, and O'Brien.

## LAST QUARTER VICTORY

### NORTH DEFEAT GLENELG

#### Six Goals to Owens

Coming with a rattle in the last quarter, North defeated Glenelg by 21 points at Prospect. Aided by a breeze that freshened toward the end of the game, they forced the play with long kicks, whereas Glenelg were prone to favor handball and short passes.

Glenelg made a valiant attempt in the third quarter, but their forwards did not take advantage of the opportunities provided.

The northerners are the only team which Glenelg have not defeated since their entry into league football.

In the absence of G. B. Johnston J. Sexton played at centre half-forward, and L. Sallis at centre for Glenelg.

Both teams were as published.

Umpire J. F. S. Monteau had charge of the game.

Glenelg players wore black armbands as a mark of respect for Max Thompson, a former member of the club, whose death occurred yesterday.

Brown won the toss and elected to kick toward the northern goal, which was favored by a fresh breeze.

Owens registered two goals in rapid succession.

Sexton marked close in, and a single came.

The northerners then took a hand, and Leahy called up both flags from a shot at an acute angle. For some minutes North maintained their attack, but could not break through the defence of the seaiders again.

Leahy initiated a North advance, but it was short lived. Brown kicked the ball wide on the forward wing, where Symons, after racing two opponents to the ball, turned cleverly and goaled.

The next full-pointer came from Drew (Glenelg) in front. Williams gave North a chance, which yielded full points from the boot of Tucker.

#### First Quarter

GLENELG	4-4
NORTH	2-2

At the change of ends North were quick to attack. After McDowall had scored

## EASY WIN FOR WEST

### NORWOOD SHOW WEAKNESS IN ATTACK

#### Red-and-Blacks Not at Full Strength

Mainly due to a rock-like defence, West easily accounted for Norwood at Wayville. The westerners obtained a handy lead in the opening term, and maintained it to the end. In the first half Snell and Lill at centre gave excellent exhibitions. It was not their fault that the game became so congested at times.

After having lost their first three engagements, West have won their last two games. With McGregor, Schoff, and Stokes to come into the side, West appear likely to take a hand in the premiership struggle.

WEST	11-13
NORWOOD	6-10

Goalkickers.—West—Whitford (4), Bennetts (3), Parry (2), Mason, Connell, Norwood—Heffernan, Mutton, Johnson, Wadham, Krome, and Siggins.

Best Players.—West—Payne, Snell, Connell, Chaplin, Solomon, Whitford, Bennetts, and Bennett. Norwood—Heffernan, Lill, Scott, Geary, Siggins, Johns, Pike, and Hall.

### INJURED PLAYERS

In the match between Port and Torrens at Adelaide Oval today C. Keal, of Port, sustained a kick on the inside of his left ankle toward the end of the game. The ankle was greatly swollen, and Keal received treatment for it. S. Ween, of Port, was badly shaken in the second quarter but soon recovered.

C. Williamson, of Torrens, badly twisted his left ankle in the first quarter.

G. Barbary, the brilliant Glenelg wingman, twisted a groin in the closing stages of the game against North. He received treatment after the match. It is feared that the injury might prove serious.

### Next Series of Games

(By O. J. O'Grady)

Owing to the holiday on Monday, June 3, the next series of league games will be divided between next Saturday and the following Monday.

The principal match on Saturday will be at Norwood, where Sturt will engage the home team. The game should be close, with Norwood leading at the bell.

On Adelaide Oval South may extend North, but the latter should win.

Port and West will meet at Adelaide Oval on the Monday. Last year the red-and-blacks overwhelmed Port in the holiday game. If West field their full strength they may extend Port. The magpies, however, should win.

At Glenelg the home team will engage Torrens. Glenelg, with Barbary injured today, are having a run of bad luck. They are nevertheless, my choice for this match.

### Attendances and Takings

Attendances and takings at league football matches today were as follow:—

Adelaide Oval	13,138	£559
Showgrounds	6,000	263
Unley Oval	4,000	174
Prospect Oval	4,000	187
	27,138	£1,203

a single Glenelg forced the ball to the other end. Conrad sent them back, and Furler, from a free, called up both flags.

A free to Taylor saved a dangerous situation for North. Clever play by McDowall gave North the advantage, and Williams registered a goal with a long kick.

Two dangerous Glenelg rushes were turned by Munn, and then Conrad saved. The ball was flashed round the eastern wing, and Tobin kicked it off the ground close in.

N Drew (North) marked a few feet from the goal, and had no difficulty in producing the maximum. Willshire gave them another chance, but F. Olliver and W. Hill proved reliable.

From a free Lock sent the ball goalward, and Furler raised two flags with a running shot.

Brown and Thompson gave Owens a chance, and the Glenelg champion made no mistake.

Leahy had a long shot from a free, but the ball fell short.

#### Second Quarter

NORTH	6-4
GLENELG	5-5

C. Drew and C. Hill sent Glenelg forward, and within a minute of resumption Owens had called up both flags. Tucker booted a single and Barbary transferred the ball to the other end.

Thompson had a shot, which Ramsay marked on the goal line. Hawke initiated an advance which went astray through faulty play by Lock.

Rosewarne and Thompson out on singles. Glenelg tried hard to establish a useful lead in this quarter.

Owens capped a beautiful mark with a goal. Then a free to Furler started North off again. Wise cleared, however.

Owens met with interference, but a long punt brought up his sixth goal for the day.

Farmer marked well in a bunch and registered a much-needed goal for North. Willshire sent North goalward and again Farmer sent up full points.

#### Third Quarter

GLENELG	9-10
NORTH	8-7

Glenelg were nine points in front when the last term began. However, the northerners were favored by the breeze, which appeared to have freshened.

Munn was playing as loose man, and his marking ability was much in evidence.

Harris and Handby initiated an attack and K. Olliver booting the ball off the ground, produced a point.

Hawke and McDowall pressed forward, but Handby and C. Drew were in the way.

Glenelg pressed hotly, but a free to Willshire drove them back. Tucker marked at an acute angle, and passed to Farmer, who goaled for North.

O'Malley failed to get his boot to the ball, and Williams secured. A powerful kick was marked in front by Leahy, who goaled.

North were now three points in front, and the excitement was intense. A free to Taylor drove Glenelg out. Leahy placed Tobin in possession, and both flags were raised.

The northerners were now in winning vein, and further goals came from Furler and Farmer.

Receiving from Brown, C. Drew called up one flag. Thompson did the same a few minutes later. Glenelg were getting singles when goals were needed.

Willshire saved twice in the goalmouth. Munn marked within shooting distance, but the wind carried the ball, and a single came.

North again went forward as the bell rang.
