GLENELG BACK ON EVEN KEEL

By SAM GALLAGHER

League leader Glenelg returned to winning form today following two successive defeats when they were too strong for Port in the second half of a hard game at Glenelg.

The Bays' win keeps them two points clear of Sturt in the top place and gives them a strong grip on the minor premiership.

Third ranked West Adelaide had to survive a determined challenge by Woodville before winning by seven points at Woodville.

The Red-and-Black's win further diminished Torrens' chances of succeeding in their late bid for a place in the finals.

The Eagles' big victory today took them a game clear of Port in fifth place but they still trail North and West by two games.

The task of making up the deficit with only six games remaining looks beyond them.

LAST HOPE

Torrens could be two points closer after the next two rounds, assuming that West lose to Glenelg and North and the Eagles beat Woodville.

However, West are likely to win three and possibly all four of their games from then on.

Malcolm Greenslade

At Glenelg, Port went down fighting in what was almost certainly

their last chance of making the 1969 major round.

The Magpies would now have to win all of their remaining games and hope for a dramatic slump by West or North.

Torrens had the biggest win of the day over a disappointing South at Thebarton.

The Eagles carried on from the good form displayed in their two previous matches, but the Panthers provided no real opposition.

HIGH SCORE

Sturt kicked the highest score of the series in outclassing Central Districts at Elizabeth.

Malcolm Greenslade had a field day at full forward and finished with 11 goals.

Norwood, although beaten clearly by North at Adelaide, again kicked

a high score. The Redlegs lost the game in the second quarter but outscored North 11 goals to 6 in the second half.

A lift across centre in the second half, when Poulter was switched to the wing, and an improvement at half-forward were important in Norwood's recovery.

BAYS' STAMINA KEY TO WIN

By BILL SUTHERLAND

Glenelg finished all over Port Adelaide in the last quarter at Glenelg Oval today.

In a tough, hard-tackling encounter, well umpired by Bob Hall, the Tigers had too much finish for the hard-battling Magpies.

Ray Button celebrated his one-hundredth game by winning the toss for Glenelg, but the flags were lifeless.

John Long (indisposed) was a late withdrawal from Glenelg. Voigt came into centre wing, and Rosewarne went to a half-back flank.

More than 13,000 supporters braved the elements and were well rewarded.

After an early stalemate between both half-back lines Rowe's big clearance was snapped up by Button and Moss made no mistake.

Button marked strongly to feature in Glenelg's second goal and the Tigers had started with plenty of confidence.

TRY FOR MARK FELL FLAT!

Port	4-3	8-8	9-9	10-11	71

Potter was in everything for Port and scrambled their first goal out of a pack of players.

Port had Cahill at half-forward now, with Broadbridge at centre.

When Phillis got his snap shot to break back at right angles for the Bays' third goal, the Bay fans went wild.

But Port recovered strongly with Potter kicking his leg off and the Bay rovers almost unsighted.

Shocking ball handling across half-forward by Glenelg let Port off the hook.

Ebert was giving Rowe the slip and added two goals, with another from Cahill, and Glenelg had lost their early confident approach.

Cahill was the big danger at half-forward early in the second quarter and belted on his sec-

ond goal.

Both full forwards were giving their sides something at which to aim when Phillis outmarked Elleway twice and kicked straight the Bays hit the front.

Went down

There was an abundance of good solid vigor as Doug Long went down and Kerley and Spencer had a little tussle.

It was goal for goal with Potter, still Port Adelaide's dynamo.

Potter had more than 20 kicks in the first half in a brilliant display.

Glenelg kicked two goals in the time-on period of the second quarter, and important goals they were.

Smith had been brilliant at half-back and one of his clearances from half-back resulted in a goal to Pattinson.

Kerley had hardly been sighted.

The third quarter was a very tight affair with both back-lines dominant.

Both Eustice and Broadbridge were doing their share at centre.

Neither side could set up a winner across half-forward, although Moss was showing signs of leaving Thiele.

Potter had dropped out of the game as the Bay rucks with Kernahan and Long asserted their authority.

The fast-tackling was still maintained early in the last quarter.

Then Button gave Glenelg a tremendous lift with a great angle goal.

Although Milde took Port within 12 points the Bays finished full of running.

Late goals to Pattinson and Phillis (with a moon-faced Elleway looking on) put the final seal on the game.

The Bays were a more consistent team on the day with Smith at half-back and Wayne Phillis both in great form.

Ray Button produced a very valuable effort, with Doug Long and Eustice showing the value of fortitude and experience.

For Port Adelaide Potter, for his brilliant first half, gets the vote, with Broadbridge and Errey at half-back not far behind.

Glenelg are on the way back with only a more confident approach necessary to reach their early season brilliance.

GLENELG full forward Fred Phillis fell flat and hard after attempting to mark at the Bay today.
