

NORWOOD TAKE GRIP ON '4'

BY  SAM GALLAGHER

Norwood today took a decisive step on the way to the major round when they beat Glenelg convincingly by 41 points at the Bay today.

As a result the Redlegs moved into the top four for the first time since the opening round when they surprised Port at Norwood.

Glenelg dropped to fifth place, trailing Norwood by half a game, are drawn against North at Prospect and Sturt at Unley in the next two games.

North, overwhelmed by Sturt at Unley today, could make their place in the four secure by winning next week.

A Norwood win over Central Districts likewise would clinch a major round berth for the Redlegs.

Centrals today continued their powerful finishing run when they outplayed Torrens at Elizabeth.

Goal feast

Forwards had a feast today with Eric Freeman (Port) leading the way with 14 goals followed by John Tilbrook (Sturt) with 10.

It was the first time this season two players had kicked a double figure bag.

Centrals full forward David Saywell and Norwood spearhead Mike Coligan each got eight goals.

Trevor Sorrell (Port) and Neil Sasche (North) each notched six.

Port's 31-25 was close to the highest score kicked in SA league football.

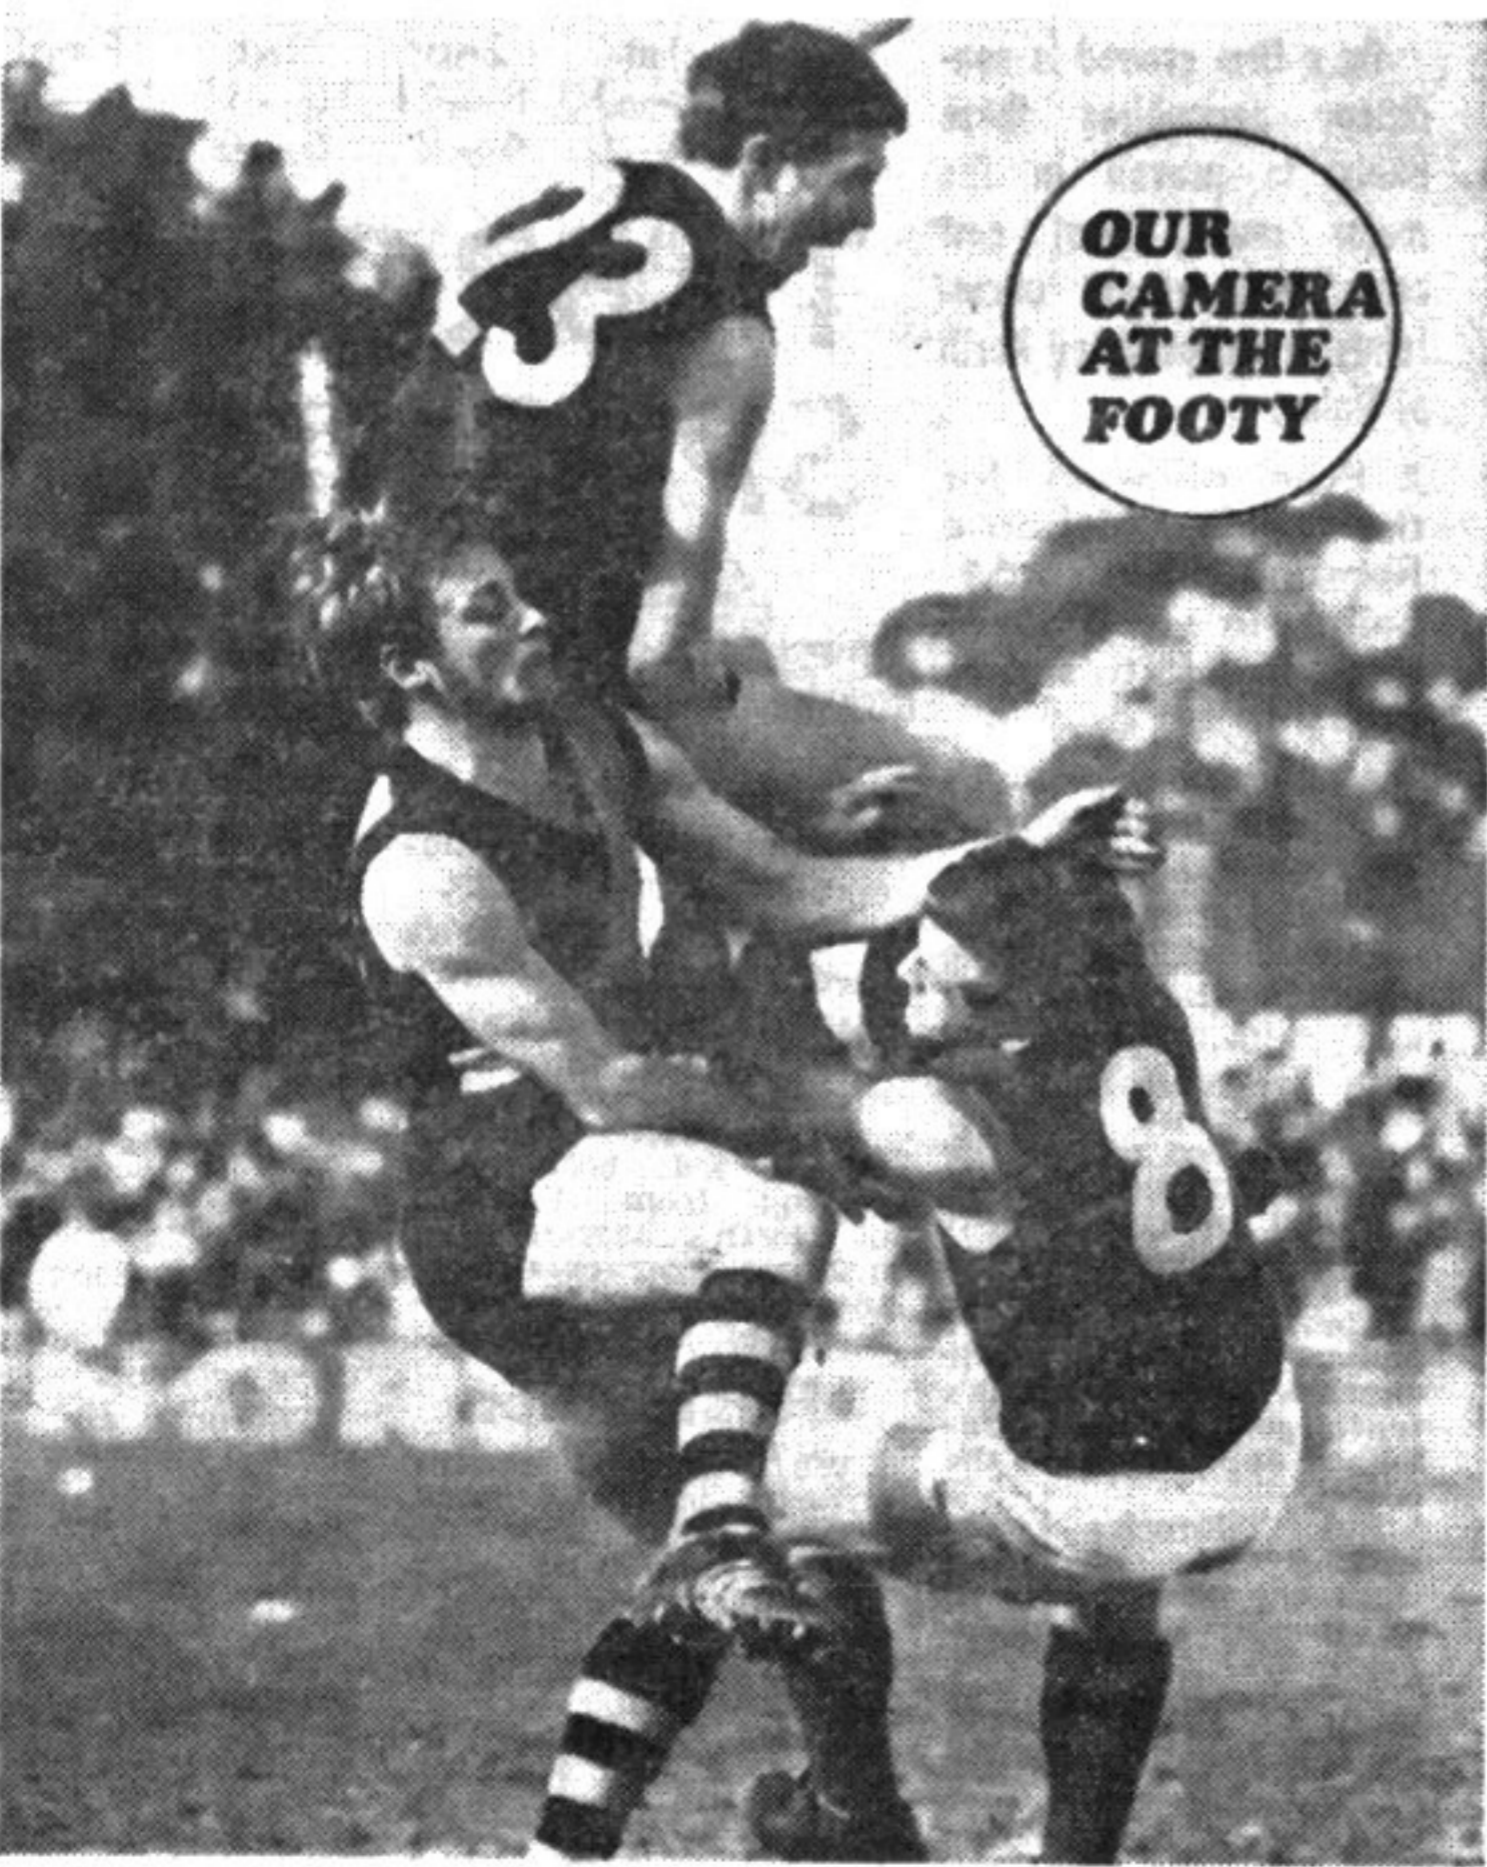

West hold the record with 33-23 kicked against South (6-10) at Adelaide Oval in 1959.

Sturt's display of teamwork at Unley and Port's demonstration of power at Woodville will draw a great crowd to Alberton next week to see the clash between the potential grand finalists.

Teamwork was also the key in Norwood's fine win at the Bay.

Despite their late entry into the four, the Redlegs are in on their merits and are not without a chance of causing an upset.

Glenelg back-pocket player Chris Hunt and Norwood rover Peter Oatey are sat upon by Neville Caldwell as they vie for the ball in today's Glenelg-Norwood game.

Norwood's hurricane forward line swept them to an impressive 41-point victory over Glenelg today.

As a result, the Redlegs move into fourth position.

The Redlegs gave a balanced and a skilful display of football as they shot the ball from man to man with well-directed moves.

This contrasted with Glenelg's individual approach and "hopeful" kicking up forward.

Glenelg lacked drive ahead of centre.

The Bays are only a "paper Tiger" of the team that played in last year's grand final, but Norwood still took a delight in breakink the four-year drought of defeats at the hands of the Bays.

Woodcock and Coligan out the Bays' backlines to shreds today.

Stop-start

Glenelg began without Neil Kerley taking a place in the term. Reserves were Anesbury and Morgan.

Many positional changes were made by Glenelg. Phillis was at full forward, Sandland (centre half-forward), Eustice (centre), Rosewarne (wing), Osborn (half-forward left), Button (half-forward right), and Marker, ruck and back pocket.

Umpire Bennett in only his second league match, kept a tight hold on the game which developed into a stop-start affair.

When play did flow, it was Norwood who performed all the charms of methodically relaying the ball from end to end. The game was virtually

JOLT FOR BAYS

won by Norwood in the first term, when they put on 4-3 into a strong breeze while Glenelg scored 5-7.

Sandland loomed as an early threat at centre half-forward to launch the Tigers, but their shooting was astray.

Moving away smoothly from centre the Redlegs took a grip on the game in the second term to pour on 8-5.

Chance

Moyes came from nearly all positions in the goalwards stampede, and the Glenelg defence looked ragged as they tried to contain them.

Harry Kernahan's rucking with support from Voigt (roving), Rosewarne (wing) fired the Bays in a third-term fightback, but they lacked drive ahead of centre.

The Bays lost many chances but kept trying to trail by only 10 points at the last change. With the wind fading they still had a chance.

A quick goal to Phillis stirred the crowd and the difference was only four points.

Norwood capitalised on Glenelg's mistakes and on the umpire's decisions and poured on five goals in six glorious minutes of flowing football that established them as a danger to any team.
