WIZARD WHELAN BACK IN GROOVE

By Terry Williams

Sturt got Ken Whelan back in form as their super-shooter yesterday in a great run home for the finals.

He booted 10.2 from 15 kicks in a wrecking display against South at Adelaide Oval.

His total helped the Blues creep closer to second spot on percentage. They are now only .5 behind Glenelg, who gave North their third straight drubbing.

In other table movements West tossed Central Districts from sixth position with a big win over Woodville.

West, who lost last week's fiasco game against Torrens, are still waiting for official word from the SANFL on the result of that game.

"We could still get in the final five," said West coach Fos Williams.

Bulldog centreman Lyle Skinner, hero of their tough first term against Port at Elizabeth, will be out for the rest of the season with a depressed fracture of the cheekbone.

Skinner was carried from the ground in the second term and taken to Royal Adelaide Hospital.

EAGLES HURT

Torrens were another team to be hit by injury after yesterday's round against Norwood.

Centreman Norm Dare received a broken nose in the third term, but courageously played on. He will be available next week.

Ruckman John Keast has a suspected fracture of the left ankle and will probably not play again this season.

The Redlegs almost lost strongman John Wynne BEFORE the game at Football Park.

Wynne needed four stitches to the eye after colliding with a teammate in the dressing room warm-up before the game.

Glenelg's score of 27-26 was their highest at Prospect.

RECORDS

It beat the 18-13 they booted last year.

The score was also the highest kicked by any club at Prospect.

The Norwood - Torrens total of 288 points was the highest scoring game at Football Park.

Utility man Colin Anderson had one of Glenelg's few injuries yesterday. He needed stitches to an eye after a tussle early in the game.

THERE was no way Tiger ruckman Peter Carey was going to drop this mark at Prospect Oval yesterday. But he had plenty of competition as he bullocked his way past these two players to clasp his hands on the ball.

NORTH WEREN'T IN RACE

North suffered their third straight annihilation yesterday... and for the third time I had the misfortune to see it happen.

It makes it tough to write a fair report on a game like the one played at Prospect yesterday.

Glenelg were the masters, as were Port last week and Norwood the week before.

But how can you write anything but praise for the winning team? Glenelg showed how they are running into finals form.

North were eclipsed by the Bays after the first four minutes of the first term.

Only in the third term did they show any sort of teamwork and ability to chase the ball.

And the only bright spot for North fans was the way Alan Howard dealt with Fred Phillis at full forward.

Fred finished with 5-7-

Glen.	7-4	16-13	18-20	27-26	188
North	2-2	4-7	7-10	12-12	84

but he didn't really get a chance to grab the ball until the last few minutes of the final term.

But enough of North. They are finished.

PENETRATION

It was Glenelg's skilful penetration from centre which had them running free. And the man to thank for that is Peter Marker.

Marker finished with 24 kicks, five marks and 13 handballs in a perfect display.

Add Kym Hodgeman and Bennett in the roving department and throw in Cornes, Carey, and Caldwell and you can see why the winning margin was so great.

Cornes showed a welcome return to his bustling best. He looked to be moving much more confidently than in previous weeks.

After the Bays broke clear in the first term the game was dead.

To rub salt in the rooster wounds, they raced away, booting 9-9 for the second term to 2-5.

HILL IN FORM

Hill was a fire worker for the Roosters and showed a great heart to return to top form after injury.

North's first goal for the quarter did not come until five minutes into time on, when Hill chipped in.

The third quarter saw the Roosters show some sort of cohesion as Baruzzi — who had a great duel with MacFarlane — goaled.

Glenelg couldn't find the goals until the 23-minute mark... but then they did not really need to.

Hodgeman finished things off with a great four-goal burst to start the final term.

Then Phillis finally managed to give Howard the slip and goals came easily for the Tigers once more.
