A LESSON from the master . . . North youngster John Frick watches as triple Magarey Medal winning teammate Barrie Robran takes a copybook mark against West at Richmond yesterday.

### Well, Westies did it again!

The Cinderella side of 1975 downed an improved North team by 23 points yesterday.

And next week's Blood 'n Tars clash with Glenelg at the Bay has all the makings of being a fantastic game.

Woodville beat Torrens at Woodville for the first time since 1967 and the loss so upset Torrens' coach Noel Teasdale that the former Pecker closed the doors for 10 minutes after the game while he talked to his players.

Centrals' captain Bill Cochrane has a badly bruised shin. He injured his leg during the third quarter of the Bulldogs match with South at Elizabeth.

Cochrane could be doubtful next week.

North back pocket Charlie Payne has a corked thigh and is doubtful for next Saturday.

Payne injured his thigh in the second quarter and did not resume after half-time.

# No checking the Bays on the run

The Bays did it again yesterday, blasting Port in one big burst that is becoming a part of their game.

This time it was the third quarter—they had to fight it out with the Magpies in an even first half.

BY  TERRY WILLIAMS

For some reason Port stopped playing the Tigers at their own game after the long break. They stopped hunting in packs and let Glenelg take the ball away.

Whether it was because Woite went quiet in this term and Hodgeman, Carey and Phillis took over is up for debate.

But statistics don't lie—Woite had only one kick in the third term. He'd

Glen.	3-3	9-8	17-10	22-15	147
Port	3-7	8-13	9-15	12-20	92

gathered seven in the second and got five in the final.

Port had to move Ebert from centre, where Marker was firing, and replace him with Porplycia.

But until the main

change the Magpies were looking good. Darrell Cahill was moving the ball well, Cunningham impressed (until he injured a knee) and Evans was holding Carey.

The Bays' three goals for the term were hard come by. Carey and Fred Phillis scored from frees.

The Bays opened well in the second and stormed in without reply.

Cahill was fighting for Port, but he was off line with three points. Tredrea was another to do well.

Glenelg began to slip into their play-on style but then the Magpie machine began to function.

Porplycia, Kinnear and Milde goaled to bring them within three points.

Cahill, after notching four straight points, put Port in front with a long range goal. Gerlach made no mistake and the game came back to life.

It was MacFarlane who evened things for Glenelg and Fred Phillis, from a lucky mark, goaled to keep the Bays a point up.

The second half figures speak for themselves.

Glenelg kicked eight goals to Port's solitary score in the third term and the Tiger tearaway had started.

Port came back late but the game was over.
