# Tiger trio kick out North

You might say they're greedy . . . and you might say the umpire helped them—but three Glenelg players kicked North out of the game at Football Park yesterday.

BY  TERRY WILLIAMS

	1st	2nd	3rd	Final	Pts.
Glen.	5-3	11-7	14-10	19-17	131
North	3-3	4-7	8-11	10-15	75

Between them Fred Phillis (eight), Greg Bennett (five), and Kym Hodgeman (three) had 18 out of the Bays' total of 19 goals.

goal in a mere 30 seconds State selectors surely will — that Bennett gathered a thumping 37 kicks. Add eight handpasses and that's 45 touches for the game.

So we come back to North. Impressive openers as they played the Bays at their own game — but lacking something, somewhere . . . and an inform Barrie Robran.

from the boot of newcomer John Crouch.

But Glenelg had Fred Phillis in the goal square, bustling his way around Ian Kroehn for three goals in this quarter.

His first came from a free — but some of the marks he grabbed were amazing.

Things looked troublesome for the Bays when Colin Anderson limped from the ground with a hamstring injury and wingman John MacFarlane went down with a knock to the head.

Weston replaced "CA" as he's known down the Bay, and MacFarlane, after treatment, went to a forward pocket. Understandably he had a quiet day.

North were getting drive from Baruzzi at centre, playing away from Marker, and Charlie Payne in the square.

## Good kicking

On the wing, Stringer was in touch and at times so was McInnes.

Glenelg took the game away in the second quarter in their usual one quarter, big burst fashion.

Phillis kicked 4-3 from seven kicks in a perfect display.

Things changed in the second half with the Roosters putting on their best quarter for the match.

They outscored Glenelg 4-3 to 3-3 in the third with Cloke and Baruzzi really moving well.

It's a shame Sandland was not up front to give them something to aim at; unfortunately Payne had gone quiet this term.

The Bays bounced back in the run home with Peter McInerney replacing Bob Tardif, who was suffering a slight knee injury.

McInerney has the goods, but it's plain he needs a full game to get into the swing of things. Just the same, he picked up five kicks and scored a couple of points for his efforts.

Seven points straight came to Glenelg before Weston broke the drought.

North got to within five goals at one stage but could not go on with the task.
