Sturt beats its Glenelg jinx

It's over ... Sturt has broken the long drought against hoodoo side Glenelg.

The Blues made their Glenelg opponents look flat-footed on the way to a memorable 17.23 (125) to 12.14 (86) victory at Football Park yesterday.

Sturt had lost its previous 17 clashes with the Bays, a losing streak extending back to 1986.

But the floodgates were opened in the final term yesterday as the Blues, in a total team effort, came from behind to kick 7.5 (twice hitting the post) to a pathetic 0.4. The loss almost certainly has put an end to any hope Glenelg may have had of contesting the finals.

Glenelg now has lost six games on the trot. Sturt hit back after losing its previous nine this year.

It wasn't a great game to watch but its saving grace was the fact scores were close for the most part, except for that barnstorming final term by the Blues.

"There was much more desire there," said Sturt coach Haydn Bunton.

"With our year going by we needed to show more commitment.

"The (winning) margin should have been greater for the effort we put in we didn't convert a lot of simple opportunities."

Glenelg coach Mark Williams had more to worry about.

BY LAWRIE McCAULEY

"That was the worst game I have ever seen in my life," he said.

"We had a couple of 10 minute bursts... but Sturt had thousands of shots for goal and missed, which kept us in it.

"We kept turning the ball over all over the ground.

"It was shocking.

"At the moment we are the chopping block and I'm sure each team looks forward to playing us.

"I know it's a cliche but we have to get back to the basics."

Sturt ran well all day and, given very little pressure from Glenelg, was allowed time to use the ball exceptionally well - especially moving toward intelligent forward Stuart Wigney who accumulated seven kicks, nine marks, three handballs and two goals in the final term alone.

The Blues also had a field day with their running players picking up possessions at will.

Neither side seemed that concerned with manning up, which made for a free-for-all attack on the footy, one that suited the Blues sufficiently for them to score a convincing, morale-boosting triumph.
