

Scripps kicks 8 for Bays

By PAUL KERMODE

MAKESHIFT fullforward Justin Scripps booted Glenelg to its first win since May 10 — a gutsy 31-point victory over West Adelaide at Football Park last night.

With regular forwards Brad Ottens and Chad Cornes playing in the National U18 championships, Scripps took over the key forward post brilliantly; kicking eight goals in a best-on-ground performance.

With Glenelg just nine points up at three-quarter time, Scripps kicked three goals in the last term to put the matter beyond doubt.

Usually an on-baller/half-forward flanker, Scripps was left one-on-one in the goal-square and used his pace superbly.

Glenelg easily won the midfield, with Grant Reubenicht enjoying his freedom in the centre and Nick Chigwidden burning in the first half.

They pumped the ball into the Tiger 50-metre zone regularly, where their fleet-footed forwards caused West headaches all night.

Coach Wayne Stringer was delighted with his side's commitment and said the Bays still had their sights set on playing in the finals.

"It was an important win for us, we still keep

Glenelg 15.7 (97)
West 10.6 (66)

ourselves alive," he said. "A loss there would have maybe finished our season."

"We've been building up for this for a while, our footy's been pretty good for the past couple of weeks."

Despite having most of the play in its forward line, Glenelg was unable to boot clear until the last quarter, when it booted 5.1 to three points.

The Bloods took the lead early in the third quarter and drew within three points later in the term, but each time Glenelg lifted and kicked away.

West had everything to play for — a win would have put it just half a game out of the five — but the Bloods could not match Glenelg's intensity.

West coach Michael Taylor said on last night's form the Bloods "had a lot of work to do".

"I haven't got any positives out of tonight's game at all," he said.

"I think Glenelg played a really good style of night footy and adapted to the conditions better than we did."
