Bloods bruising at Bay

West 18.13 (121) Glenelg 12.11 (83)

West Adelaide shook off an inexperienced, but determined, Glenelg to win its first game of the season by 38 points at the Bay Oval yesterday.

The Bloods, who led by seven points at three-quarter time, blew the game apart in the final term, kicking seven goals to two — four of them to full forward Greg Mellor.

Mellor, who kicked six goals for the game, ran riot in the last quarter to shake off a desperate, young Glenelg team which had harassed and worked hard for the previous three terms.

Little separated the sides at each break but it was West's greater experience and class which told in the end.

It started the game brilliantly to hold a 23-point lead at the 18-minute mark but the Tigers kicked the next five goals to lead by nine points midway through the second term.

Scores fluctuated until three-quarter time when West took control of the centre square and bombarded the ball into its for-

ward zone where Mellor did the rest.

He was ably supported by half-forward flankers Nathan Eagleton and Greg Dempsey who kicked six goals and had 39 possessions between them.

This dynamic duo, tied to the Power and Crows respectively, proved the major difference between the sides with their class and poise deciding the outcome.

Other good players for the Bloods were centreman Anthony Banik (29 possessions), wingman Matt Connell (27) and defenders Mark Brebner and Dean Woosnam while ruckman Brooke Fogden got his hands on the ball at the centre bounces.

Glenelg, which was missing key players like Sean
Tasker, Leigh Tudor, Paul
Rouvray and Luke Ottens,
didn't have enough fourquarter contributors with
only Ben Thompson and
Alistair Burke prominent for
the entire match.

Its host of youngsters tackled ferociously and showed great endeavor for three quarters but were not able to sustain the effort.

West coach Michael Taylor was relieved to get the win but adamant his team could play a lot better.

"I was pleased with the way we ran the game out and lifted our game when we needed to in the final term," he said.

"The game was in the balanced but we showed some character and got a general lift all over the ground, particularly out of the centre, which swung it our way.

"I was satisfied with the points but we've still got a lot of improving to do because quite a few individuals can play a lot better.

"Our training has been fantastic but we just haven't been able to match that in games.

"This is a step in the right direction and hopefully we can continue to improve on it."

Glenelg coach Wayne Stringer, obviously upset at his side's last-quarter capitulation, was locked in deep discussion with his offsiders after the game and unavailable for comment.
