INJURIES — **Central:** Mollar (thigh) replaced in selected

Tigers roar despite Hargraves' 7

GLENELG has overcome a brilliant solo effort from North Adelaide forward Daniel Hargraves to break a winless streak stretching back to April.

The Tigers absorbed a seven-goal haul from Hargraves to record a morale-boosting nine-point win at Adelaide Oval yesterday, giving them a chance of avoiding football's most hated prize: the wooden spoon.

North now holds just a half-game buffer over the bottom-placed Tigers, who regained the winning feeling after dropping nine games since beating Sturt in round eight on April 30.

It was a character-filled win for Glenelg, which held sway for much of the first half only to see Hargraves rip the game apart in the third quarter to give the Roosters an eight-point break going into the last quarter, when they had the aid of a slight breeze. But Glenelg, riding the back of a hard-working midfield, kicked three goals in three minutes early in the final term to set up the victory.

"It's been a long wait and we just really wanted to win badly," Glenelg coach Tony McGuinness said. "At three-quarter time we were under the pump, but I thought we gusted it out fantastically well in the last quarter.

"It was in the balance the whole of the day and it might have been the bottom two sides, but when you're in that position it's just as

desperate as the top two sides playing. That's the way we treated it and that's the way the game unfolded."

Glenelg received great service from its midfield unit, led by hard workers Alistair Burke and Richard Kelly, acting captain Simon Hele and returning AFL players James Byrne and Matthew Bode. And Kane Cornes displayed his great potential with a mature showing against AFL-listed Wade Chapman. But for all the drive the Tigers could generate from the midfield, they struggled to nail a reward on the scoreboard. This left the Roosters close enough at half-time for North to pounce, led by Hargraves and a bold showing in the centre square from Danny Morton and Lucas Herbert.

In a game otherwise dominated by the mosquito fleets of both sides, Hargraves stood head and shoulders above the other players on the ground.

Hargraves proved too tall and strong for a succession of Glenelg defenders, Simon Nicholas, Damien Gigney and Cameron Venables all trying in vain to stop the one shining light in the Roosters' attack. The former Footscray and Fremantle forward booted three first-half goals to keep North in the game and then exploded after the break, kicking three goals in the first 10 minutes of the third quarter, the second from a superbly strong mark he took after camping underneath a high, floating ball.

But with Glenelg running over the top of the Roosters in the midfield in the last quarter, his best efforts were not enough to secure a win for his side, which now will be locked in a desperate battle with the Tigers to avoid the wooden spoon over the remaining three rounds of the SANFL season.
