GLENELG continues to rewrite the record books in its centenary season.

The Tigers claimed a club record 12th straight victory to start a season after overcoming a dogged Adelaide by 15 points at Glenelg Oval yesterday.

In a match filled with momentum swings, Glenelg trailed by eight points at three-quarter-time but seemingly kicked away from Adelaide when Matt Allen slotted from 50 to put the Tigers 17 points clear just before time-on in the final term.

Adelaide responded with a pair of goals to youngster Brayden Cook and when Lachlan Gollant kicked his third the Tigers' lead was cut to just five points.

It set up a tense final few minutes but goals to Marlon Motlop and Matt Allen sealed the record-breaking vic-

tory for the Tigers.

Glenelg coach Brett Hand said he was pleased his side had overcome an Adelaide team featuring a host of AFL talent including Tom Lynch and Darcy Fogarty.

"It was a great challenge for our guys," Hand said.

"They had a lot of AFL talent today and to play against those guys, it was a good chance for our guys to go out there and show our stuff."

Magarey Medallist Luke Partington was outstanding for the Tigers, racking up 31 disposals and three goals including an important set shot from 50 midway through the final term.

"I thought Parto was outstanding, – it was a really complete game from him," Hand said.

"I thought all our leaders really stood up today, though, it was a good

team performance against a pretty strong opposition."

The result was in stark contrast to the previous time the teams clashed, when Glenelg charged to a crushing 89-point win in Round 8 and Adelaide assistant coach Brent Reilly said his side was left to rue a missed opportunity against the SANFL ladder leader.

"It was very frustrating, we were right in it and the boys fought really hard," Reilly said.

"We just let them get away from us in the last quarter and we gave them a bit too much."

Adelaide youngster Cook finished with four goals while veteran Lynch made his presence felt as he returned from an extended injury layoff with 17 disposals and three goals.

The Coach's Match Report – Glenelg v Adelaide

www.glenelgfc.com.au

It was a cold winter July day and when we saw the Crows' side we knew we were going to be in for a tough game against a quality side with 17 AFL-listed players.

Within the first minute or so you could tell that Adelaide were preparing to be physical, with a big bump on Alex Martini who bounced back up immediately and got back on with his job. The first quarter was a seesawing affair with both sides taking the lead at times, but Adelaide were getting on top with their ball movement and had 7 more inside 50 entries and went into quarter time 8 points up. Dylan Landt started the game well and Brad Agnew was enjoying his role back in the midfield, but it was Adelaide's wingmen that were having an influence on the game.

The second quarter

continued in the same way that the first did with both sides having good passages of play and converting consecutive goals, but it was our forwards who were able to make the most of our inside 50 entries with Motlop, McBean and Reynolds all hitting the scoreboard and lowering the margin to just 3 points at half time.

Luke Partington was starting to have a significant influence on the game and he was instrumental in us taking the lead during the third quarter. Only we lost concentration and allowed Adelaide to kick 3 late goals to go into three quarter time with an 8 point lead again.

We knew the last quarter was going to be a tight one and it ended up being a high scoring quarter, with us able to have 10 shots on goal to

Tigers hold off the Crows

Adelaide's 7, allowing us to come away with a handy 15-point victory.

Our defenders were under pressure all day from quality AFL experienced players but they stood strong and limited the number of marks they were able to take, with Max Proud particularly keeping Himmelberg scoreless for the game. Our midfield were very good and as the game went on we were able to move the ball in a more efficient manner,

providing more opportunities to our forwards.

It was great to come away with our 12th win of the season and we now set our sights on a resurgent Double Blues outfit who have now won three games in a row and who we had an extremely tight and competitive game against back in Round 6.
